

The Right Way to Live.

(Communicated.)

A man should first of all learn to live right. The word "right" is one among the grandest and most noble words in the English language.

Remember that the road to happiness and the road to misery follow the same course. The difference is in the traveler, not in the road traveled. First of all in life, a man should put his whole trust in God, accept him for his leader and his guide. This is the road to happiness here and hereafter. The next step that a man should take is to love his fellow-man, speak well of every one. Assist those who are in need. Help and comfort the weak hearted, consult and advise with those who have gone wrong, forgive them and encourage them to do better. Hold no malice or hatred against any one. Cultivate kind and friendly feelings towards mankind. Encourage friendly relationship between all nations, and strive to cultivate good will and friendly feelings with one another. Assist and be ever ready to help the public cause which is for the good of the whole people. Be ever ready and thankful to accept the good advice, and strive to act likewise. Honor and encourage the good workings of all persons. And love each other as ourselves, so that when our days are at an end it may please God to call us.

T. E. WHITAKER.

According to a celebrated anatomist there are upwards of 5,000,000 little glands in the human stomach. These glands pour out the digestive juices which dissolve or digest the food. Indigestion is want of juice, weakness of glands, need of help to restore the health of these organs. The best and most natural help is that given by Shaker Digestive Cordial. Natural, because it supplies the materials needed by the glands to prepare the digestive juices. Because it strengthens and invigorates the glands and the stomach, until they are able to do their work alone. Shaker Digestive Cordial cures indigestion certainly and permanently. It does so by natural means, and there is no secret of its wonderful and unvaried success.

It is not desirable to have ducks lay at this season, as there is but little demand for their eggs at fair prices.

The Discovery Saved His Life.

Mr. G. Caillouette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at E. T. Whitehead & Co.'s Drug Store.

The production of eggs is continually falling behind in this country. It is a source of possible profit lost sight of.

Cure for Headache.

As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Fifty cents and \$1 at E. T. Whitehead & Co.'s Drug Store.

There is no better food for fattening ducks than cooked potatoes or turnips thickened with bran and corn meal. Feed the ducks three times a day all they will eat of it.

A WIFE EQUAL TO A GOLD MINE.

Will some of your readers give me a good recipe for making a cold starch? I am selling self-heating flat-irons and iron a little at every house and have to use some starch every place and want to know how to make a good cold starch. My husband was in debt and I being anxious to help him thought I am doing splendidly. A cent's worth of fuel will heat the iron for 3 hours, so you have a perfectly even heat. You can iron in half the time and no danger of scorching the clothes, as with the old iron, and you can get the most beautiful gloss. I sell at nearly every house, as the iron saves so much fuel everybody wants one. I make \$1.50 on each iron and have not sold less than ten any day I worked. My brother is doing well and I think anyone can make lots of money anywhere selling irons. J. P. Casey & Co., St. Louis, Mo., will start anyone in the business, as they did me, if you will address them.

CHURNING DONE IN 1 MINUTE.

I have tried the lightning churn you recently described in your paper, and it is certainly a wonder. I can churn in less than one minute, and the butter is elegant, and you get considerably more butter than when you use a common churn. I took the agency for the churn here and every butter maker that sees it buys one. I have sold three dozen and they give the best of satisfaction. I know I can sell 100 in this township, as they churn so quickly, make so much more butter than common churns and are so cheap. Some one in every township can make two or three hundred dollars selling these churns. By addressing J. F. Casey & Co., St. Louis, you can get circulars and full information so you can make big money right at home. I have made \$80 the past two weeks and I have never sold anything in my life before.

DYSPEPSIA DID IT

Weakened One Man's Constitution Until It Brought Him to Death's Door.

Mr. James S. Harrison, a well-known and highly respected citizen of Cleveland, O., was for years a sufferer from dyspepsia and general debility, and in his weakened condition, resulting from the above causes, he had the additional ill-luck to fall a victim to malaria from this complication of disorders. Mr. Harrison's condition was becoming very serious, when he commenced to take P. P. P., Lippman's Great Remedy. Its effects were marked and immediate. Read his letter to us. Its earnestness is apparent:

GENTLEMEN: For the benefit of all suffering from dyspepsia and general debility I beg to submit my testimonial as to the efficacy of your P. P. P., Lippman's Great Remedy, as a positive cure for all the distressing complaints from which I suffered.

My system was also full of malaria and my condition was growing very serious; I had no appetite, was losing strength and was completely broken down in health, but now my health is completely restored, and I can eat like a field laborer, without the slightest fear of any serious results.

I take great pleasure in telling the world that P. P. P. did the grand work of restoring me to my accustomed health. Yours truly,
JAMES S. HARRISON,

A REMARKABLE LETTER.

OFFICE OF F. A. GULLEDGE.

VERBENA, ALA., Aug. 31, 1896.

Mr. A. B. Girardeau,

Savannah, Ga.

Dear Sir:—In reply to yours of the 29th inst., I will say that I freely endorse all you or others have said or could ever say about Johnson's Chill and Fever Tonic. Two months ago father who is 85 years old, was tricken down with Bilious Fever, and came near dying. I began at once with the Tonic giving him a dose every two hours. I called in our family doctor and told him what I was doing. He said it was the right treatment and advised that I continue it. He called again the next day and saw the effect of the Tonic and gave nothing himself. Within a week my father was able to walk about the house.

I persuaded him to take a second bottle and under its use he has grown strong. Although 85 years old on the 24th of last June, he has to day taken a nortwest ride of six miles unattended. This is only one of many remarkable cures performed by the Tonic that has come under my personal observation in the last 24 years that I have been selling the Tonic.

If this remarkable medicine cost \$5 a bottle and could only be obtained in London, there would be widespread interest manifested in it and vigorous efforts made to obtain it. But the fact that it sells for 50 cents a bottle and this returned if you are not pleased with the medicine, lead many people to overlook it altogether.

I use it in every case in my own family and in my own immediate influence. Don't think that I have ever been called on to refund the purchase price of a single bottle. Had one customer who came sixteen miles for a bottle last week.

Yours very truly,
F. A. GULLEDGE.
